ADVANCING ACCESS®

Request a benefits investigation

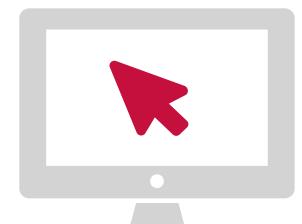

Submit an electronic prescription (eRx) to your patient's pharmacy

Visit the HCP iAssist portal and enroll your patient online at:

GileadAdvancingAccess.com/HCP

GET STARTED!

Follow the <u>Step-by-Step Guide</u> on page 1 of this guide to register online. Once inside the portal, HCPs can easily enroll their patients into the program and help them access their prescribed therapy.

Submit an electronic prior authorization (ePA) to a payer

Receive an immediate determination of PAP/MAP eligibility

We're here to help. For general Advancing Access® information, enrollment questions, or to find out what program offerings may be available to help, call Advancing Access at **1-800-226-2056**, Monday through Friday, 9 AM to 8 PM EST.

Program support offerings may include:

- A benefits investigation
- Prior authorization education and tracking
- Co-pay enrollment for commercially insured/eligible patients
- Coverage support may be available based on your patient's situation
