

Gilead Advancing Access® Patient Support Program

Helping your patients access their prescribed Gilead medication.

We know that figuring out where to start can be complicated. Gilead Advancing Access is here to help. Give them a call and they can provide information to help your patient get started on their prescribed YEZTUGO® (lenacapavir).

Program Offerings

Dedicated Program Specialists

When you contact Advancing Access, a program specialist can provide you with information about the different acquisition pathways and coverage options.

Benefits Investigations

Advancing Access can conduct a benefits investigation. This includes researching and verifying your patient's specific insurance benefits and coverage for YEZTUGO.

Prior Authorization/Appeals Information

Advancing Access can provide information to determine prior authorization (PA) and appeals requirements and processes.

Gilead Advancing Access Co-pay Savings Program

Assistance with medication and administration out-of-pocket costs for eligible, commercially insured individuals.

Medication Assistance Program (MAP)

Eligible uninsured individuals may receive their Gilead medication free through the MAP. Help determine if your patient is eligible for free product assistance online at PrEP.AdvancingAccess.com

Additional Coverage Support

Gilead Advancing Access can research additional coverage options to identify whether your patient may be eligible for additional financial assistance by a state pre-exposure prophylaxis drug assistance program, independent co-pay foundation, the Medicare Low-Income Subsidy, a state Medicaid program, or a federal or state health insurance exchange.

Gilead Advancing Access[®] Co-pay Savings Program

- **The Gilead Advancing Access Co-pay Savings Program** assists eligible, commercially-insured patients with their co-pays*
- Co-pay support will cover costs of the drug (oral and injection under either benefit) **up to \$8,000 a year**, including **up to \$100 per visit** for the injection administration of YEZTUGO[®] (lenacapavir)
- If eligible, the Co-pay Savings Program may be able to help your patients lower their co-pay to **as little as \$0**

Enrollment Process:

You can enroll your patient in the Gilead Advancing Access Co-pay Savings Program by visiting **PrEP.AdvancingAccess.com** or by **scanning** the QR code

Reimbursement Considerations:

- **If product is being acquired through a specialty pharmacy or in-house pharmacy**, the pharmacy will process the co-pay card information and apply it to the patient's costs
- **If product is being acquired through buy and bill**, your office will submit an Explanation of Benefits through **PrEP.AdvancingAccess.com** for co-pay reimbursement

*Co-pay coupon support is available for commercially insured eligible patients only. Additional restrictions may apply. Subject to change; for full terms and conditions, visit www.GileadAdvancingAccess.com/Copay-Coupon-Card. This is not health insurance. Additional information about how Gilead may use the patient's information can be found in Gilead's Privacy Statement and Consumer Health Data Privacy Policy available at www.Gilead.com. If you have any questions about the Gilead Advancing Access Co-pay Savings Program, please call 1-800-226-2056, Monday through Friday, 9 AM to 8 PM ET.

For any questions or help with the co-pay enrollment and adjudication process, call Gilead Advancing Access any time Monday through Friday, 9 AM to 8 PM ET at **1-800-226-2056** or leave a detailed message after-hours, and a dedicated program specialist will call you back.
